I understand that the Bee Hotel will become property of Carrickmacross Tidy Town Committee and may be used in an exhibition and be erected in a public place.	Yes <input type="checkbox"/>

We hope when COVID 19 restrictions are lifted we can have a display of the winning Bee Hotels in the Civic Centre in Carrickmacross and we will feature them on our Facebook page. We will then erect them in public places in the town. **The entries will become property of the Carrickmacross Tidy Town Committee, they will not be returned.**
